## Allison Kaylor-Flink, CPFA

Allison is senior vice president and is responsible for the Texas and the East Coast regions. Part of NFP since 2014, she brings more than 25 years of experience in all aspects of defined contribution and defined benefit plan design and administration.

With previous positions at Plan Data, The 401(k) Company, Guardian Pension Services, Hartford Retirement Services, ING/Voya, Lone Star Retirement Services and The 401(k) Concierge, Allison is well-trained in investment due diligence, provider benchmarking, advanced plan design and fiduciary compliance.

Allison is a nationally recognized expert in ERISA issues. 401kWire.com ranked her one of the “Top 300 Most Influential Advisors in Defined Contribution.” She’s a founding adjunct lecturer at UCLA’s The Retirement Advisor University. Napa Net ranked her one of the “Top Women Advisors of 2017 and 2018.”
